

Contract Proposal from EU-LLIANCE consortium

Dear consultant,

EU-LLIANCE consortium is thrilled to present you with a unique contract proposal, designed to support your professional growth and ensure a fulfilling collaboration with us. Here are the key terms of our offer:

Flexible Contract Options

1. Freelance Flexibility:

Enjoy the freedom and autonomy that comes with a freelance arrangement.

2. Full/Part-Time Adaptability:

Choose between full-time or part-time engagement to suit your lifestyle.

3. Competitive Daily Rate:

Define your daily rate within the client's budget to ensure a fair and rewarding compensation package.

Streamlined Payment Process

1. Timely Invoicing:

Invoice at the end of each month with ease, based on provided time sheets signed by the responsible official at the European Commission.

2. Prompt Payment:

Receive payment within a maximum of 10 days, ensuring a steady cash flow.

Commitment to Growth and Support

1. Rate Indexation:

Benefit from any indexation of our rates by the European Commission, with indexed prices valid from the first contract day following January 1 of the relevant year.

2. Rate Increase Benefits:

Enjoy any rate increases EU-LLIANCE consortium secures from the European Commission for your services.

3. Optimal Selection Support:

We are committed to creating optimal conditions for your selection in European Commission requests, including:

- **CV Preparation:**

Expert assistance in crafting your professional profile.

- **Certification and Training:**

Company-sponsored certifications and training tailored to project requirements.

- **English Language Certification:**

Gain an accredited certification, sponsored by the company.

- **Project Fit Analysis:**

Explore alternative framework contracts that suit your expertise.

- **Guidance on Requirements and Criteria:**

Receive orientation to meet minimum requirements and award criteria effectively.

By signing this letter of intent, EU-LLIANCE consortium commits to these supportive conditions. In return, the Consultant agrees to collaborate with us to ensure timely preparation of all required paperwork, while refraining from sharing information with competitors.

These conditions are applicable upon EU-LLIANCE consortium's award in DIGIT TM III. The Consultant authorizes EU-LLIANCE consortium to use their Curriculum Vitae solely for participating in framework contract proposals with European institutions. This authorization is non-binding and can be revoked at any time by written notice, without affecting already submitted proposals.

We look forward to the prospect of welcoming your expertise to our team, and we are dedicated to making your experience with EU-LLIANCE consortium both rewarding and successful.

Date: January 22, 2026
